

### **Free Your Recyclables**

Did you know that when you bag your recyclables, all your good recycling work could be going to waste? Free your recyclables to ensure they are recycled right! Plastic bags wreak havoc on processing equipment and pose safety hazards to workers, so ditch them and empty your recyclables directly into your recycling container. And remember, the next time you recycle, free your recyclables! Visit [Recycle Often, Recycle Right dot com](http://Recycle Often, Recycle Right dot com) to learn more.
